

## Permanent Signage Policy

### Permanent Signage

Any bulletin board or permanent sign erected on Nova Southeastern University property or installed, affixed or otherwise attached to any building, structure or landscape feature of the University must meet the sign design standards of the University as set by Facilities Management. This signage must be approved by Facilities Management and be installed by, or under the supervision of Physical Plant.<sup>[L]  
[SEP]</sup>

Included under this provision are display boards, awning signs, commemorative plaques, fixed signs, directional signs, flags, governmental signs, landmark signs, and banner boxes, as well as bulletin boards on the exterior or in the interior of any building. Parking and traffic signs shall conform to standards required by law and shall be installed by and under the supervision of Facilities Management.

### Limitations and Enforcement

Except as otherwise provided in this policy, Nova Southeastern University prohibits any person to erect, attach, alter, locate, or relocate any signage, as defined above, within the confines of University property. Tacking, posting, painting, marking, writing, gluing, taping or otherwise affixing signage (including but not limited to posters, fliers, stickers and handbills) to any walls, doors, windows, columns, floors, ceilings, trees, poles, furniture or any other structures, or on any roads or walkways on University property, without the prior authorization of the University, is prohibited.
