Original Medicare + Prescription Drug Plan	✓	<ul style="list-style-type: none"> Medicare costs Drug plan premium, annual deductible, and drug copays 	Prescription drug plan monthly premiums can run anywhere from \$0 – \$170 (or more depending on annual income), the benefits offered, and type of coverage. The annual deductible should not be more than \$480.
Original Medicare + Medigap (Supplement) Insurance Medigap insurance would be in addition to your Original Medicare. It allows more flexibility to choose which doctor and provider you will use. Medicare pays 80 percent of approved care, and your Medigap insurance generally covers the other 20 percent.		<ul style="list-style-type: none"> Medicare costs Medigap premium 	Depending on which plan is selected, Medigap benefits include Medicare co-payments, co-insurances, and deductibles. For more information on Medigap insurance costs and plans, see “Supplement Insurance” on bottom of the next page.
Original Medicare + Medigap + Prescription Drug Plan	✓	<ul style="list-style-type: none"> Medicare costs Medigap premium Drug plan premium, annual deductible, and drug copays 	Current Medigap policies do not include drug coverage, so you will most likely need a stand-alone prescription drug plan to cover your drugs.
Original Medicare + Retiree Coverage	✓	<ul style="list-style-type: none"> Medicare costs Group or Retiree insurance premium 	Retiree group coverage (federal, employee, or union) may be considered “creditable” coverage for Medicare Part D (drugs). Check with your plan.
Original Medicare + Military Coverage	✓	Costs will vary depending on your choice of using military coverage or Medicare coverage.	VA (Veterans Administration), TRICARE, or TRICARE-for-LIFE (at age 65). Most military plans cover prescription drugs. Check with your plan for options and costs.
Medicare Advantage Plan* (with drug coverage) (Monthly costs may/may not include a premium for drug coverage)	✓	Plan premium, deductible, copay, and any coinsurance.	Plans with drug coverage will cover most generic and brand name drugs. Check plan formulary to see if all of your drugs are covered.
Medicare Advantage Plan* (without drug coverage)		Plan premium, deductible, copays, and any coinsurance.	If you have “creditable” drug coverage through another source, you may benefit from the coverage of a Medicare Advantage plan for your health care needs.

* Medicare Advantage Plans are managed care organizations such as an HMO (health maintenance organization) or PPO (preferred provider organization). Plans offer hospital, medical, and drug coverage through a specific network of providers, as well as other benefits not provided by Medicare (i.e., dental services, vision services, etc.).
