

# WHAT STUDENTS ARE SAYING ABOUT THEIR SI LEADERS:

"My SI Leader was amazing. Her knowledge helped us all to better understand the material, and her informal quizzes were extremely helpful. Her attitude and energy also made it an enjoyable time."

"My SI was incredible! She helped me understand confusing topics in one of the hardest classes at NSU! She was always willing to help and led the sessions to maximize the success for all students."

"My SI Leader is the reason I passed my psychology class with almost a 100%. Without her I would have struggled so much."

"My SI Leader was super friendly, smart, and helpful. I am so thankful to have SI because it really helped in this difficult course."

"My SI Leader was an incredible SI. He was helpful, patient, extremely knowledgeable, and personable. I am so grateful to have had him as my SI, as he has helped me understand and learn all of the course's material."

"Each session was extremely informative and my SI took the time to not only help the entire class, but also individual students when needed. She explained topics both verbally and visually and has a mesmerizing amount of knowledge on biology. This was a wonderful first impression of SI. I am thankful to her; for all of the help and encouragement this semester."

"She is absolutely awesome. I would have struggled so much more without her."

"He was very entertaining and made learning chemistry fun. He explained it in a way that made sense."

# WHAT STUDENTS ARE SAYING ABOUT THE SI PROGRAM:

"I think the SI program is wonderful and very beneficial for students at NSU. I feel it should be implemented for as many classes as possible!"

"The SI program has been very valuable in not only helping students better understand the material but also helping us get to know our peers."

"The SI Program has always been helpful."

"I think SI is a great way to take accountability for the effort you put into your classes. It has proven to help me with my grades and overall academic success."

"Extremely good for explaining complex topics in simple ways."

"Please continue these sessions as they were very helpful and I think more students should start taking advantage of the resources that are available to them."

"SI was really helpful!"

"I have no critiques on the program itself, except to have SI for more courses because it would be extremely beneficial to everyone."

# WHAT STUDENTS ARE SAYING ABOUT THE RESULTS:

"Really helpful. I found my quiz scores go up significantly when I attended."

"SI helped me with a lot of exams and to understand hard concepts!"

"SI single-handedly got me through my biology class this year."

"Truly helped me to understand difficult concepts and do better on my exams!"

"My SI Leader really helped me better understand the basics of psychology and I did well on exams because of it."

"The sessions helped a lot to clear up any confusing concepts in the class."

"My SI leader was helpful and very passionate about the course. They were open to helping whenever needed and it is part of the reason why I've done so well in the course."

"I improved my grade on every exam this semester, and I know it's because of SI and the consistency of it."

"The sessions were a great reinforcement of the material that we had just learned in class."
